Paying for College with Grants, Scholarships and Federal Loans

 UCanGo2 arg™

What Kind of Aid is Available?

Financial Aid

Money provided to the student to help pay for the student's education. Major forms of financial aid include grants, scholarships, work-study and student loans.

State Grants

Usually based on financial need, state grants don't need to be paid back. See the *State Grants and Scholarships* section and visit [UCanGo2.org/pay](https://ucan-go2.org/pay) to learn more.

Scholarships

Scholarships don't need to be paid back, and there is a wide variety available. Visit [UCanGo2.org](https://ucan-go2.org) and [OKcollegestart.org](https://okcollegestart.org) to find hundreds of scholarships. See the *State Grants and Scholarships*, *Path to Scholarship Success*, *Scholarship Searches* and *Tribal Websites* sections for scholarship info as well.

Federal Grants

Federal grants are based on financial need and rarely need to be paid back. The Free Application for Federal Student Aid (FAFSA) must be submitted for consideration. See the *What Federal Aid is Available?* section.

Federal Work-study

Earn money for your education by working part-time, usually at your institution. The FAFSA must be submitted for consideration. See the *What Federal Aid is Available?* section.

Federal Student Loans

Offered at low interest rates, some are based on financial need and some aren't. All loans must be paid back. The FAFSA must be submitted for consideration. See the *What Federal Aid is Available?* section.

Private Student Loans

Private loans are another option for some students. These may have less flexible repayment terms than federal loans, so do your homework. See the *More Helpful Resources* section.

State Grants & Scholarships

Each year, grants and scholarships help thousands of Oklahoma students reach their educational goals and assist families as they manage the cost of education after high school.

Oklahoma Tuition Aid Grant (OTAG)

OTAG is a program that provides grant assistance for Oklahoma residents who meet certain financial requirements. The grant may be used at Oklahoma public colleges and universities, technology centers or eligible private institutions within the state. For more information, visit OKcollegestart.org.

Oklahoma Tuition Equalization Grant (OTEG)

OTEG awards grants to Oklahoma students attending eligible Oklahoma not-for-profit, private or independent institutions. Family income cannot exceed \$50,000. For more information visit OKcollegestart.org.

Oklahoma's Promise

Students must apply in the 8th, 9th, 10th or 11th grade, be a resident of Oklahoma, complete a specific high school curriculum, achieve at least a 2.50 GPA both in the curriculum and overall, and abide by certain conduct standards. The federal adjusted gross income of the student's family may not exceed \$60,000 for parents with 1 or 2 dependent children, \$70,000 for parents with 3 or 4 dependent children or \$80,000 for parents with 5 or more dependent children at the time of application, and \$100,000 each year the student is enrolled in postsecondary education. Oklahoma's Promise will pay resident tuition at a public college or a portion of tuition at private institutions or public technology centers in Oklahoma. Learn more at okpromise.org.

Academic Scholars Program

The Academic Scholars Program awards scholarships to Oklahoma residents who score at or above the 99.5 percentile on the ACT or SAT exam and to students who are named National Merit Scholars or finalists, Presidential Scholars or Institutional Nominees. Learn more at OKcollegestart.org.

Read more about these and other grant and scholarship opportunities on our website at UCanGo2.org/pay or contact the Student Information Hotline at 800.858.1840 or studentinfo@osrhe.edu. Information about these programs can also be found at OKcollegestart.org.

Many state aid programs require a completed Free Application for Federal Student Aid (FAFSA). Learn more in the Tips for Scholarship Success and What Federal Aid is Available? sections.

NOTE:

Check with your institution's office of admissions and your academic division to see if you qualify for a tuition waiver. This form of financial aid often has a very small candidate pool, which means you have a higher chance of being selected!

Path to Scholarship Success

Starting the scholarship application process with a successful strategy in place is key. Knowing how to **PLAN**, **RESEARCH**, **APPLY** and **TRACK** applications will increase your chances of earning valuable awards. **UCanGo2.org** offers resources and publications to help as you **plan**, **prepare** and **pay** for your education after high school.

PLAN

- Complete the Free Application for Federal Student Aid, or FAFSA, in your senior year of high school and each year you need financial aid for education expenses. Learn more at [FAFSA.gov](https://fafsa.gov).
- Investigate the cost of attendance at the school you plan to attend, and determine how much you'll need to cover your expenses. [OKcollegestart.org](https://okcollegestart.org) can help you find the cost of higher education institutions nationwide.
- Evaluate your resources to determine how you'll pay for college. Consider savings, your current earnings, financial aid and any scholarships you may have already won.
- Create a resume that lists your talents, accomplishments, and awards and provide it to those you ask to write letters of recommendation.

RESEARCH

- Scholarships are awarded based on a number of factors, including family ethnicity, sports, community service, grades, hobbies, test scores, residency, financial need, skills, leadership, essays, college majors and more.
- Search for scholarships from your prospective colleges, tribal entities, employers, local organizations, Google, books and more.
- Ask your school counselor for scholarship resources.
- Use legitimate scholarship search sites like those found on the next page and at [UCanGo2.org](https://ucango2.org) and [OKcollegestart.org](https://okcollegestart.org).
- Align your search to your characteristics and your college and career goals.

APPLY

- Read through the application and any requirements for transcripts, essays, and letters of recommendation. Be sure to request/complete these items early.
- Follow instructions, review and proof your application so you're sure there are no mistakes. Ask someone else to proof it, too.
- Write an essay that's captivating, sets you apart, and is original. Take time to proofread and ask a teacher or counselor to proofread it, as well. Consider the guidance available in our [Scholarship Essay Tips](#) publication.
- Keep copies of your applications, essays, and letters of recommendation. You'll use the same general information on most applications, so copies will come in handy. Revising an essay you've already used is a good way to save time and improve upon what you've already created.
- Watch out for scholarship scams! Read the fine print, beware of guarantees, never pay to submit an application and protect your personal information. Learn more about scams at ftc.gov/scholarshipscams.

TRACK

- Make note of all requirements to ensure you're applying for scholarships for which you're eligible.
- Send thank you notes to those who participated in your application process and to the scholarship providers, if you win the award.
- Use a [Scholarship Tracking Sheet](#) to organize and keep track of completed applications and upcoming deadlines.
- Understand how a scholarship may impact other financial aid you've been awarded. Check with the college financial aid office if you have questions.
