

DON'T MISS OUT!
FAFSA FILING DATE:
OCTOBER 1

Even if you think you aren't eligible for aid, you should **complete the Free Application for Federal Student Aid (FAFSA)** every year you're enrolled in college courses. Not completing this form could put you at risk for missing the boat on state aid, federal student aid and loans, certain grants and scholarships, and the federal work-study program.

To be eligible, you must complete the FAFSA as soon as possible **after Oct. 1 each year** to meet school financial aid deadlines.

Visit [FAFSA.gov](https://fafsa.gov), the official FAFSA website, to get started. Have questions about completing the FAFSA? Visit us at [StartWithFAFSA.org](https://startwithfafsa.org) or contact your **Financial Aid office** today. For more information about college planning and scholarships, call us or visit our website, [UCanGo2.org](https://ucango2.org).
