

# 7TH GRADE CHECKLIST

**Dream big.** Imagine yourself in college, shaping your future the way you want it. Then decide no one will hold you back!

**Save a little, learn a lot.** Instead of grabbing a snack from the vending machine every day, bring a snack from home as often as you can. Pocket your snack money and put it in your savings account for future expenses. Check out [OklahomaMoneyMatters.org](http://OklahomaMoneyMatters.org) for more saving and money management tips. Talk to your counselor and visit [okpromise.org](http://okpromise.org) to learn about our state's premier scholarship program, Oklahoma's Promise.

**Get involved.** Colleges are looking for students who will give a helping hand in their communities. Find an activity that interests you and join in—if not at school, then with a community, religious or social group.

**Wise up.** Make wise choices that will help you succeed in life rather than choices that would keep you from reaching your goals.

**Ask for help.** If you're struggling in a subject, don't get discouraged. Ask your teacher for help and see about tutoring opportunities.

**Keep believing.** College is a challenge, but it's also full of rewards! Tell everyone about your plans. Before you know it, they'll be excited, too.
