

HIGH SCHOOL STUDENT WORKBOOK

Why should I go to college? What do I want to be? How do I get there? Where do I go? How do I pay for it? Are your students asking these questions? UCanGo2's [High School Student Workbook](#) will help your students answer them.

This guide explores various aspects of college planning and is best used in classroom sessions led by an instructor using the companion *High School Instructor's Guide*.

The workbook provides worksheets and classroom activities for students, including:

- ▶ College Preparatory/Work Ready Curriculum Graduation Checklist
- ▶ Career Assessment
- ▶ Developing My Career Plan Worksheet
- ▶ Glossary of College Terms
- ▶ Making the Most of Campus Visits Guide
- ▶ Picking a College Decision Tree
- ▶ Tracking My Classes and Achievements Worksheet
- ▶ Understanding School Types Guide
- ▶ What Do You Want To Be? Worksheet
- ▶ Completing the FAFSA

WORKBOOK HIGHLIGHTS

Why Go to College?

Understanding the Value of Higher Education

Addresses common concerns about and barriers to college and discusses the benefits of education beyond high school.

What Do I Want to Be?

Exploring Careers and College Majors

Students explore career interests, identify skills they already have and develop a career plan.

How Do I Get There?

Preparing and Planning for My Next Step

Discusses test prep, tracks achievements outside the classroom and ensures students are on track to meet graduation requirements.

Where Do I Go?

Researching Institutions and Programs

Students will learn about different types of institutions and discover how to make the most of campus visits.

How Do I Pay For It?

Finding and Getting Financial Aid

Explores the different types of federal and state financial aid and introduces the FAFSA and various scholarship resources.
