

Let's Go to College: School Spirit (2nd & 3rd Grade)

Attending a school event can be exciting! You get to see your friends, cheer for your team and wear your school colors. An event that most schools have each year is called "Spirit Week." During Spirit Week, students are encouraged to wear fun clothes to show support for their favorite college. Your school may pick a theme and students will participate by wearing a certain type or color of clothing. When you go to college, you'll also be able to join in on all kinds of fun events and activities. Watch for reminders from your favorite clubs and groups so you don't miss out on your school's activities.
